1.0 DOCUMENT INFORMATION

1.1 Purpose

The System Requirements Document outlines the agreed system specifications. Once approved, it becomes the baseline to ensure the system meets business goals. Sign-off is required for development to start, and any changes must follow the System Enhancement Management process.

1.2 Intended Audience

The intended audience for this document includes project stakeholders and any team members involved in defining, implementing, or validating the system requirements.

1.3 Revision History

This section records all modifications to the document until it reaches Version 1.0, at which point it is finalized and established as the baseline for future reference. Once baselined, any new changes will be assessed based on their severity – significant changes may result in an addendum, while less critical updates may be handled through a formal change request.

2.0 REQUIREMENT

2.1 High-Level Requirement Overview

#	Item	Description
2.1.1	Enhancement Overview	Replace the existing approved application email with 2 emails issued upon Application approval. The RHB Account Registration Guideline is sent to the UCD, and the Appointment Letter is sent to RHB Support with the UCD copied.
2.1.2	Key Value(s) Expected	1. The UCD receives the registration steps that apply to its own company structure. 2. RHB Support receives the confirmation of registration required to release the RHB documents to the UCD. 3. Manual follow-up between eAuto Operations, the UCD and RHB is reduced.

#	Item	Description
2.1.3	Additional Note(s)	The Offer Letter, Direct Debit Application form and Board of Resolution remain issued from the RHB system due to running number and authentication requirements. Both email templates are pending Operations feedback and confirmation.

2.1.2 Out-of-Scope

#	Item	Reason
1	Upload of the completed RHB documents by the UCD and the verification of these documents by BackOffice	Not covered by this Change Request. This flow is scoped separately.
2	Issuance of the Offer Letter, Direct Debit Application form and Board of Resolution	These documents are issued from the RHB system due to running number and authentication requirements.
3	System integration between eAuto and RHB	No Application Programming Interface specification or Interface Design Document has been confirmed as required.

2.2 Key Highlights and Baseline Requirements

The following key highlights and requirements were established during the initial sync-up sessions with requestor. As this forms the baseline, any changes requested thereafter may result in adjustments to scope, timeline, or deliverables, for which requestor will be responsible to review and confirm.

2.2.1 Background

#	Affected Item	Description
1	Project	eAuto
2	Portal	1. BackEnd 2. UCD
3	Module	Application
4	Request	Replace the existing approved application email with 2 emails issued upon Application approval.

#	Affected Item	Description
5	Additional Note	1. The 3 RHB documents are the Direct Debit Application form, Offer Letter, and Board of Resolution. 2. RHB online application link: https://smecaonline.rhbgroup.com/sme/online?tag=campaign 3. Refer to the attached Enhancement Request Form and RHB Islamic Account Opening proposal deck. 4. RHB has not confirmed technical feasibility, and no API specification or IDD has been confirmed as required.

2.2.2 Existing Issue & Expected Behaviour

#	Item	Description
1	Existing Issue / Behaviour	1. eAuto sends 3 documents to the UCD upon Application approval. 2. The email is triggered from the Application Approved status. 3. RHB requires the Offer Letter and Direct Debit Application form to be issued from the RHB system due to running number and authentication requirements.
2	Expected New Handling / Behaviour	Upon Application approval, the system sends 2 emails: a. RHB Account Registration Guideline, sent to the UCD. b. Appointment Letter, sent to RHB Support with the UCD email address copied. The guideline provided is determined by the number of directors or business owners and whether there is a foreign director or business owner. The Appointment Letter is generated by the system and attached to the email sent to RHB Support.

2.2.3 Affected Pages

#	Affected Pages	Description
1	BackEnd – Application Approval	The approval of an Application triggers the 2 new email notifications.
2	Email Notification – RHB Account Registration Guideline	Sent to the UCD, replacing the existing approved application email.
3	Email Notification – Appointment Letter	Sent to RHB Support with the UCD email address copied and the generated Appointment Letter attached.

2.2.4 RHB Account Registration Guideline Email

#	Requirement ID	Item	Description	Acceptance Criteria
1	EAIN-12341-REQ-001	Email Trigger	The existing Application approval handling shall remain unchanged. Upon Application approval, the system shall send the RHB Account Registration Guideline email to the UCD, replacing the existing approved application email.	Upon Application approval, the UCD receives the RHB Account Registration Guideline email. The existing approved application email carrying the 3 RHB documents is no longer sent.
2	EAIN-12341-REQ-002	Email Recipient	The existing Application record shall remain unchanged. Upon Application approval, the system shall send the RHB Account Registration Guideline email to the UCD email address captured in the Application.	The email is addressed to the UCD email address recorded in the approved Application.

#	Requirement ID	Item	Description	Acceptance Criteria
3	EAIN-12341-REQ-003	Guideline Determination	Upon Application approval, the system shall determine the guideline provided based on the number of directors or business owners and whether there is a foreign director or business owner.	Example 1: 4 or fewer directors or business owners and no foreign director or business owner a. The email states that the UCD proceeds with the RHB online account opening. b. The system sends the email using Email Template 1 stated in Section 2.2.4.1. Example 2: 5 or more directors or business owners, or at least 1 foreign director or business owner a. The email states that the UCD obtains the required documents from RHB Support and registers the i-Account at an RHB branch. b. The system sends the email using Email Template 2 stated in Section 2.2.4.2.

#	Requirement ID	Item	Description	Acceptance Criteria
4	EAIN-12341-REQ-004	Data Source	The existing SSM details captured in the Pre-Application summary shall remain unchanged. Upon Application approval, the system shall read the number of directors or business owners and the nationality of each director or business owner from the SSM details captured in the Pre-Application summary.	The number of directors or business owners and their nationality are taken from the SSM details in the Pre-Application summary without manual input.
5	EAIN-12341-REQ-005	Email Template Content	Upon Application approval, the system shall send the RHB Account Registration Guideline email using Email Template 1 or Email Template 2 stated in Section 2.2.4.2.	The content of the email sent to the UCD matches Email Template 1 or Email Template 2 stated in Section 2.2.4.2.
